

Absentee Bid Form

If you are unable to make it to the auction, we are pleased to accept absentee bids on all live auction items. Absentee bids must be received in writing **no later than Saturday, April 13, 2024 at 12:00 noon.**

- Please use the form below and submit it to either the school office, Krissy Buehler buehlerkrissy@gmail.com, or Mandy Fisher fisheramf@gmail.com prior to the deadline.
- In the event that two or more bids are identical, the earliest received bid will be recognized.
- Successful bidders not attending the Auction will be notified by Monday, April 15th.
- All bids must state the highest price the bidder is willing to pay.

How it works:

- Your absentee bid will be submitted in advance, either by written or electronic means.
- You set a limit on how high you are willing to go for the item, which will not be disclosed to anyone else before the auction.
- The auctioneer will perform the bidding process as usual.
- When the highest bid is announced, he will then reveal your absentee bid and see if anyone wants to increase their amounts.
- When disclosing your absentee bid, the auctioneer will only raise the bidding in increments until your limit has been reached.
- If your limit is not surpassed by other auction attendees, and the bidding ends you will have won the item. If the bidding goes over your limit and you don't want to spend more, you will have lost the auction.
